Summary

Motivated computer science student with skills in C, C++, and app development. Experienced in AIML, Robotics and familiarity in SLAM technology, through real-world projects, hackathons and internship programs. Strong problem-solver and team player, passionate about building scalable, impactful software solutions.

Education

- **B.Tech - Computer Science and Business Systems**
  GITAM University, Bengaluru
  Expected Graduation: 2026 | Current CGPA: 9.95

Technical Skills

- **Programming:** C, C++, Dart, Python
- **Tools & Technologies:** Android Studio, Flutter, RoboPlus
- **Emerging Tech:** AIML, LiDAR, Voice Recognition, SLAM
- **Concepts:** Data Structures & Algorithms, OOPs, DBMS.

Projects

- **Machine Learning: Credit Card Fraud Detection** – Implemented Isolation Forest Algorithm for fraud detection.
- **App Development** – Basic Chatting Application using [Xml + Java].
- **Web Application** – Medical Appointment booking with Multilingual integration.
- **Autonomous Vehicle for Differently-Abled (Ongoing)**
  Used: AI, LiDAR, IoT, Python, Voice Recognition
  Designed a mobility solution for people without limbs using sensor-based automation and paddle-less navigation.
- **Drug Inventory & Supply Chain Management System using Blockchain**
  Used: Blockchain, IoT, RFID
  Created a decentralized drug-tracking system to eliminate counterfeit medicine distribution.

Experience & Certifications

- **Internship:**
  Intern – Robotics and AI
  ***Sirena Technologies*:** 5th May 2025 – 30th June 2025
  Selected for a hands-on internship focused on Robotics and Artificial Intelligence.
  Hands on Experience with Embedded Systems, Sensors, Robotics.
  Certifications:
- Data Sciences & Analytics – HP Life
- Agile Project management – HP Life
- Microeconomics Principles by ILLIONOIS
- Introduction to R Programming by IBM
- English for Career Development by Penn (University of Pennsylvania)
- Data Structures by UC San Diego

Awards & Achievements

- 1st Place – SIH Internal Hackathon (Software Category), Drug Inventory and supply chain management system
- Innovation Competition (Autonomous Vehicle for Differently-Abled Project) – Till IGC level at NITK Surathkal
- Namma Yatri Mobility Challenge (Unstop) – 2023
- AWS x POI Hackathon – Till Finale - 2025
- NCC Achievements: 'A', 'B' & 'C' Certificates with 'A' Grade | One of the Top NCC Rank Holders (JUO)

Hobbies: Reading Crime and Investigative novels | Workout | Music | Dance [Free style & Semi classical] | Painting
Skills: Communication & Collaboration | Teamwork | Adaptability | Problem-Solving.
Languages Known: English (Fluent) | Hindi (Conversational) | Telugu (Native) | Kannada (Fluent)
